

A modern two-story house with large windows and a blue SUV parked in front. The house features a mix of white, grey, and wood-grain finishes. The SUV is a dark blue Range Rover. The scene is set on a paved driveway with a small tree and a planter box. The sky is blue with light clouds.

OSACIA HOMES

S I T E P L A N

An exclusively modern boutique estate on 3.5 acres of land securely located within the Nakuru countryside; truly nothing can compare!

Unlike the usual townhouse, Osacia offers commodious homes with light, spacious rooms. Each home is beautifully designed with a spacious courtyard and countryside views, all while maintaining harmonious exclusive privacy with the division of walls and hedges to provide families with perfect solitude.

Choose between a three bedroom home with a separate private TV room, or a four bedroom home.
